SAYS THE VETERAN CROUCH

Listen and Ye Shall Hear Just How the Ideal Boarding House Should Be Run.

"As I look back," said the veteran boarder, "I find the one common complaint that everywhere crops out to be of cold plates and cold food. There is something that every boarding-house keeper has quite within control but which is nevertheless commonly neglected."

"Many a boarder has been lost by serving to him cold food on cold plates. The boarder with, or it may be without, reason may have been runted about other things and may stay, but let him get a suggestion of cold dinners and some day he says at last: 'Well, I can't stand this any longer; I'm going to quit.' The cold plates and cold food being the last straw that breaks the camel's back."

"What is needed is grace in the kitchen; grace and the willingness to serve things in a way that make them attractive and pleasing to the eye and thoughtfulness to keep the food and the plates hot. I have always thought and I still think that if I kept a hotel or a boarding house and I had nothing but hasty pudding to give my people to eat I would shape it in pretty molds before I sent it to the table, and above all things I'd serve it hot and give them hot plates from which to eat it. I know you will agree with me that to serve the simplest food would be far more pleasing to the palate and the fancy. Hot food and hot plates would promote peace and happiness and bring to many a boarding house prosperity."

Nigeria.
The estimated area of southern Nigeria is 77,000 square miles, that of northern Nigeria, the hinterland of southern Nigeria, is estimated at 225,000, and the native population of the two combined at from 15,000,000 to 20,000,000, yet any effort at scientific agriculture or mining is confronted by the labor question. The wants of the natives are few, and on account of their primitive custom of acquiring only personal property, and that in the form of cattle, wives and children, depending on the latter in old age for support, they give little thought to laying aside money for use in time of illness or old age. In the far interior traders say that the natives often refuse money in exchange for their products, gathered where they have not seen, but will receive tobacco, spirits, cotton goods, etc., when they desire them for immediate use. In some parts of the hinterland tobacco is an absolute necessity in trading with the natives.

HER CHEAP DINNER.

She found the price of meat so high She didn't even stop to spy. Quoth she: "I'll be overmsty. But think up something cheap and tasty."

Then with a smile upon her face She hid to the grocer's place; Ten cents for corn of this year's canning! 'Twas wonderful, her clever planning!

That night corn fritters sat in state Upon her board, and quite elate She got her husband interested In the dime she had invested. But—well—men are so obtuse, To try and please them is no use. Her husband snatched a single sturter, Remarked: "Say, what's the price of butter?"

And then he figured up the corn And eggs and butter that had gone Into those fritters and the batter And ended with: "Why, what's the matter?"

Of course, she'd fainted! 'Twas a shock! She might have had a Plymouth Rock! In fact, a round or two were lost her In what these cheap corn fritters cost her!

—Lillian W. Sheldon, in New York Times.

Miss Hefty—Charley Softleigh tried to put his arms around me last night. Miss Cutting—And wouldn't they reach around?

On a West Side Sign.
Come try our candy. It's the best, north or south. You'll find it so handy; It melts in the mouth!

A Waiting Attitude.
"Triggs pays his wife devoted attention."
"I guess he will be doing that for a long time to come."
"What makes you think so?"
"She doesn't show the slightest inclination to give Triggs control of her fortune."

One Woman's Way.
"Yes," said the doctor, "I once knew a woman who died from worry."
"What did she worry about?" queried the pale patient.
"Why, she just worried because she had nothing to worry her," answered the M. D.

She Meant It, Too.
Mayme—I was surprised to hear of your engagement to Mr. DeFright. Only a few weeks ago you told me you wouldn't marry him if he had a million dollars.
Edyth—Yes, I know; but since then I discovered that he has two millions.

Appropriate Lodgment.
"This is a strictly up-to-date prison. You notice that all the drink prisoners are behind bars, and all the women inmates in tiers."
"And what do you do with the intelligent and educated prisoners?"
"We put them in the brain cells."

It is Different.
"Papa, what is meant by placing a witness under the rule?"
"Why do you wish to know?"
"I was wondering if it is anything like placing a school boy under the rule?"

"You say it was your 'double' that stole the chickens?"
"Yessuh."
"You know I gave you 30 days once for chicken stealing?"
"Ah remembah, suh."
"Well, this time you get 60. That's the court's double."

THE PECK-WILLIAMSON UNDERFEED FURNACES AND BOILERS

Were living in perfect comfort all over the house. The Underfeed coal burning way—fuel fed from below—all the fire on top—insures as much clean, even heat from cheapest slack as highest priced coal which ordinary heating plants require. This enables Underfeed users to

SAVE 1/2 TO 2/3 OF COAL BILLS

Mr. J. E. Crider, President of the Crider Creamery Company, Fredonia, Ky., relates his Underfeed experience thus:

"We installed one of your No. 739 Underfeed furnaces in our 12-room house about two years ago. We have found the furnace very satisfactory indeed. The furnace is extremely economical, fires easily and the heat is quite evenly distributed throughout the various rooms. We use not and slack coal for fuel with perfect results and much prefer the Underfeed to any heating device with which we are familiar."

Send for our FREE book about UNDERFEED Furnaces and Boilers and let us PROVE that it will pay you to discard old-fashioned heating methods and install the satisfactory dividend-paying Underfeed. Heating plans and services of our Engineering Department all FREE. Write today.

RUGGLES CAMPMEETING

Notes of Interest Gathered at These Beautiful Grounds

RUGGLES CAMPGROUNDS, August 1st, 1910.
Special Correspondence, Public Ledger.

After a rather strenuous Sabbath, the campers have given themselves up to recreation for the most part of today. Some have spent the day walking about the country. One party, under the leadership of Winn P. Bowman, walked all the way to Kirk's Springs. They were somewhat tired tonight, too. Another party was out hunting Indian relics—it wouldn't be hard to guess who headed this party.

While many left the grounds we who stayed enjoyed some excellent services. Rev. John Bentz of West Covington preached at the morning service; Rev. Daniel Wendell Brown conducted the Bible study in the afternoon.

This evening Dr. Blodgett preached an eloquent and impressive sermon on the "Doctrine of Future Punishment." Rev. Ragan sang at the close of the sermon.

The following Ministers arrived in camp this evening: Revs. H. C. Northcutt, "Father of the Campmeeting;" G. N. Jolly, D. D., of Covington, O. J. Carder of Augusta, H. W. Bunton of Dayton, G. W. Howes of Olive Hill, E. H. Edwards of Russell.

Mr. Coburn of Olive Hill is attending Campmeeting, having accompanied his Pastor, the Rev. G. W. Howes.

Ananto party composed of Judge Howard McCartney, Messrs. Paul Heflin, Marvin McIntire and Mr. Donahue of Flemingsburg were calling on some of our campers today.

The society event of the day was the 6 o'clock dinner given by Mrs. George Kelly in honor of Mr. John R. Brodt's untimely birthday. The following guests were invited: Mr. and Mrs. John R. Brodt and daughter, Miss Anna, Mr. and Mrs. John Crane and daughter, Miss Myrtle, and Rev. F. W. Harrop. It was a very delightful affair and thoroughly enjoyed by all present.

Our only unmarried Preacher has given the signal of distress. There are so many stunningly beautiful girls here that he is completely "up in the air." If some one would kindly donate a bottle of pickles, it would help out matters wonderfully.

In passing around the grounds Sunday evening our attention was attracted by the disappointed countenance of a particular friend of ours. He unfolded to us his troubles. Having come from a distant city, arriving Saturday, he determined to satisfy that longing he had had for weeks for some old time Methodist "yaller-legged chicken." He invested in two or three fine, plump springers and put them in, what he thought, to be a safe place

until Sunday morning. On arising, he discovered his "springers" pasturing in front of the cottage. All the family were called into service to corral the chickens. All hands got around them and began closing in. Just about the time they were about to claim the prizes the "yaller-legs" ducked under the cottage and no manner of coaxing or shooing could induce them to come out, and there they stayed, too, until it was too late to grace the Sunday dinner. Our friend had a very determined look and he was making great preparations for what he was going to do on Monday to those truant chickens.

General Jefferson Davis Bradford, only surviving nephew of Jefferson Davis, died Sunday night in New Orleans.

Receipts of live stock at the Chicago market for the week of July 25th were 66,100 cattle, 87,700 hogs, and 111,800 sheep.

CURE YOUR KIDNEYS.

Do Not Endanger Life When a Maysville Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them? Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Maysville testimony:

Mrs. John T. Wallingford, 108 Commerce street, Maysville, Ky., says: "Doan's Kidney Pills have been used in my family with most beneficial results and it affords me pleasure to corroborate the testimonial we gave for publication in their favor some years ago. Doan's Kidney Pills brought me great relief and I have no hesitation in again recommending them."

The "All Stars" challenge the "White Sox" for a return game Sunday, August 14th, under the same conditions as last Sunday's game was played, and promise to make it more interesting for them or take seats upon the shelf as "Has Beens." Some new faces will appear in the line-up of the regulars. F. JACOBS.

WHITE FOUNDLING

Quite a surprise awaited the early risers this morning at the beautiful home of Mrs. John Hall, corner Lexington street and Forest avenue, where some heartless person had deposited on the porch a basket containing a male child only a few hours old. The child was wrapped in an old shawl. The deserted babe was taken in and a physician summoned, who gave it needed medical attention.

County Judge Rice was informed of the matter and will have the little cnot-off properly provided for. The machinery of the law, to the utmost capacity, should be set in motion on a hunt for the cruel and inhuman mother and those interested in the case, and punishment fitting their deed accorded them.

Miss Amy Calhoun of Market street is very sick.

Tom Blanchard has on exhibition at his Fifth Ward grocery two cucumbers of nearly equal size, one of which measures twelve inches in length and nine inches in circumference and weighs two pounds and one ounce. Who can beat it?

S. E. MARTIN.

The venerable Samuel E. Martin died yesterday at his home in Sardis with infirmities due to old age, 83.

He leaves two daughters, Mrs. Martha Jefferson, Shannon, and Mrs. Lanie Wilson, Oklahoma; also a sister, Mrs. Mary Poe, aged 66, of near Mt. Olivet.

The deceased was a highly respected citizen and was perhaps the oldest Knight Templar in the State, being a member from Germantown.

The funeral will take place tomorrow morning at 10 o'clock sun time, at Salem Church, with services by Rev. Fizer. Interment in nearby Cemetery, under the auspices of the Germantown Lodge of Masons.

It is desired that as many Masons from this city as can possibly do so will attend the funeral.

A HUNDRED and seventeen in the shade in Oklahoma, and there ain't no shade.—Louisville Times.

LIFE is justonedamnedthingafteranother—and then some. In Maysville life is just two damned things after another.

This time last year wheat was \$1.29 at Chicago. Dollar wheat is about satisfactory to both grower and consumer.

ANTHRACITE coal is on the free list, the duty on sugar is greatly reduced, yet both these commodities are high in price. That cannot be blamed on the Tariff.

THE year ended June 30th breaks all records for customs receipts by the United States Treasury. Ten months of that time the new Tariff Bill was in operation.

THE season is now at hand when the Democratic Editor takes his quill in hand, and, lighting his corn-cob, proceeds to revamp these hot old editorials explaining wherein and how "all signs point to Democratic success this fall."

CIRCUSES are exhibiting all around Maysville, but somehow they every one give us the go-by. Maysville is a whole circus in herself during this Esplanade war, minus the spotted horses, peanuts and red lemonade, but what we want is the real thing—an old-fashioned circus with spangles and music and all the gaudy accessories which make the boys walk ten miles to see the elephant. Alas, DAN RICE is dead and JOHN ROBINSON gives us the frosty mit every summer.

WASHINGTON's false teeth are to be placed on exhibition at Denver. Who says we are not a patriotic people?—Louisville Times.

MR. WILLIAM LOEB seems to be entirely in the hands of his friends. It's also lucky for LOEB that his friends are not fool friends.

In a speech at Bowling Green, Mo., CHAMP CLARK said: "I am a better man than when I first went to Congress." We hope so. He wanted to cut our throat once.—Winchester Sun-Sentinel.

It would be natural to assume that the expenditures of a great Government like ours, which is expanding so rapidly in every department coincident with the increase in population, power and responsibility, would show a normal and constant increase year after year, and yet the total appropriations for the fiscal year ending June 30th, 1911, are over \$28,000,000 less than for the fiscal year 1910. In other words, in spite of a considerable increase that might be expected, there is actually a considerable decrease. Total appropriations for 1910 amounted to \$1,055,663,267.88, while the appropriations for next year amount to \$1,028,125,769.58. It must be remembered, however, that these sums are not wholly a tax upon the Government. For instance, \$244,000,000 were appropriated for the Postoffice Department, and almost this entire amount will flow back into the Government through the postal revenues. That in itself reduces the appropriations to less than \$800,000,000.

Our Growing Country.

TOUGH LUCK.

"Why, what's the matter, my lad?"
"Boo, hoo! Ma sez I got to be President when I grows up, an' I'd set my heal on bein' a prize fighter. Boo, hoo!"

Robinson's Circus will pitch its tents at Mt. Sterling August 19th.

The Ripley Fair started yesterday. Get ready and join the big crowd tomorrow.

Prayermeeting service will be omitted at the Central Presbyterian Church this week.

Some of the streets are in need of another coat of oiling, especially Second street extension.

About 4,000 hogheads of tobacco are stored in this city and the weed still continues to come in.

Hon. John P. McCartney and Attorney J. H. Power of Flemingsburg were here yesterday on legal business.

Deputy Revenue Collector C. C. Hopper reports \$13,093.24 as amount of collections at this point for the month of July.

FELL OFF PORCH

Joseph Caldwell, Deputy County Assessor, of the Helena neighborhood, while under the influence and effect of liquor, toppled over the third story porch at the St. Charles Hotel last night about 12 o'clock. He fell a distance of about thirty feet, and that he was not instantly killed is very remarkable, as he struck on his shoulders and head. While no bones were broken he is evidently badly hurt.

SUSPICIOUS CHARACTERS

Officers Fizer and Glavin arrested two colored hoboes last afternoon off No. 2 C. and O. Fast Flyer. There were three in the party beating their way riding the bumpers. One of the trio escaped. When searched at Police Headquarters two suits of clothing, three or four shirts and a quantity of neckties, all nearly new, were found in a box in their possession. They were placed in Jail and will have a hearing before Judge O'Donnell today.

MODEL METHOD OF PARDONING CRIMINALS

Governor Wilson introduced another novelty when he granted a conditional restoration of citizenship to William Parsley, who served a term in the Penitentiary several years ago on a charge of robbery. The Governor says he is to have his citizenship restored so long as he may be a good citizen, but that on any violation of the conditions of the pardon the restoration is to be void. He wants to keep a "string" on the man, who is engaged in religious work and who has made good.

EX-CONGRESSMAN CLARK ILL

The venerable John B. Clark has been confined to his home at Brookville for the past two or three weeks, suffering with a very painful and dangerous ailment. In some manner Mr. Clark's false teeth bruised his tongue and it is thought that gangrene has set in, and the member is in a very bad condition. Mr. Clark is in his 78th year, and a few years ago was one of the leading lawyers in this section of Kentucky, and in the early '70s represented this section in Congress. He has many friends all over the State who will be sorry to hear of his condition.

Our Colored Citizens.

Mrs. James Taylor of East Fourth street attended the funeral of Rev. Evans in Louisville yesterday.

Rev. W. H. Evans, formerly Pastor of Scott's Chapel, this city, died Tuesday of last week at his home in La Grange, Ky. Burial took place yesterday at Louisville. The deceased Minister had many friends in this city who will be grieved to learn of his demise.
